Students have even used their training to help overcome illness, shyness, phobias, and stress. While Stephen has been teaching for twenty years, in

2004 he began to 'reclaim the art for God'. Eastern religion and rituals have been replaced with Biblical principles and a Christian world view. Their Christian only Faith Club, has included clients from Captive Hearts, and various men's and women's Bible study groups. They also serve and hope to be a light for those who do not know Him. The Steger's are passionate about helping students maintain their physical and spiritual integrity in a fallen world.

Description: Christ centered and Bible based instruction. We believe that God is the creator of ALL things. Therefore He created martial arts. The Bible constantly refers to Shields, swords, and defense. There is nothing wrong for a Christian to defend themselves if attacked. We do not attack, only defend. We understand that the Devil cannot create anything and can only take God's creation and pervert it to blind the eyes of men toward God and Salvation. King David, Sampson, and others used martial arts as well as God Himself. Martial arts is not only physical but it is spiritual warfare. Spirit leads the mind and mind controls body. Anger begets violence, but a soft answer turns away wrath.

City: Delray Beach, State or Province: Florida, Country: United States of America

Description: Valour School of Self Defense is a church-based martial arts school using a Christian curriculum. The school is affiliated with the Temple Chinese Boxing Association. TCBA was created by John R. Himes of Asahikawa Shi, Hokkaido, Japan. Sifu Himes, along with other TCBA members studied Pai Lum and Koushou Kung Fu under James C. Cravens at Tennessee Temple University in the 1970's and 1980's. TCBA curriculums preserve the arts as they were taught at TTU by Professor James C. Cravens in that era. Professor Cravens now heads the Chinese Boxing Institute International. Valour School of Self Defense combines the above mentioned styles with Sifu Lonnie Sutherland's Golden Dragon Kung Fu from the Red Dragon Kwoon. The curriculum includes Scripture memory and mental development as well as physical technique. Sifu Michael McClure has been involved in Chinese martial arts since 1973. Classes are offered on Tuesday and Thursday evenings at the West Park Baptist Church, 4004 Lake Ida Road, Delray Beach, FL 33445 (561) 495-2107

School: Torukukai Aikijitsu

Website: www.aikijitsu.com

City: Orlando, State or Province: Florida

Description: Torukukai Aikijitsu is a Christian Samurai style that combines the flowing movement of Aikido, the powerful strikes of Karate, the joint locks and ground fighting of Jiujiitsu, with the throws of Judo. The meaning of the Japanese word "Samurai" actually translates to "He that serves". As Christian Samurai we serve one Lord, Jesus Christ. We live by a Christian Code of Bushido (Way of the Christian Warrior) that is based on biblical scripture. This Christian Code of Bushido instills the values of C.H.R.I.S.T (Character, Honor, Respect, Integrity, Self Discipline, Teamwork).

Description: We are a Christian based and Christ centered martial arts school who believes that it is important to teach Tae Kwon Do and self defense, but there are numerous benefits to participating in a martial arts program beyond the obvious and intentional, and those are the benefits that develop the whole person. Therefore, our approach to martial arts instruction is holistic and a way of training the spirit, mind and body to achieve a life of excellence.

School: Yang Style Taijiquan & Shaolin Kung Fu Website: www.yangstyle.com

City: Nashua, State or Province: NH

Description: We consider Kung-Fu and Taijiquan (Tai Chi) to be a way of developing good physical conditioning, balance, strength, graceful motion, circulation, flexibility and awareness. All martial arts should be taught and learned with the goal of achieving a peaceful resolution to any conflict. As one learns a martial art, they will soon become aware of their weaknesses and the potential dangers of any confrontation. Most conflicts take place due to pride. This pride must be overcome in a martial artist to achieve a true defense. There are times when a physical defense must take place, however it must never be planned or our choice. A true martial artist knows that physical engagement for defensive measures is often at great cost to both sides. We must also remember that God is our true defense and to rely on His strength to work in us to truly resolve conflict.

Martial Arts have roots from various asian religions. We strive to teach martial arts, not denying these roots, but rather leading to the truth about Jesus Christ and the true Spirit of God. The Budist/Taoist religions sought the "Tao" meaning "Way" and wisdom. They believed it was difficult if not impossible to attain this "Way". We believe that Jesus is the "Way", the truth and the light unto our path. We cannot attain it, but rather accept it. We also believe that true wisdom comes from a relationship with God through Jesus Christ.

Description: We are not shy about letting people know we are a Christ centered martial arts program. Some might call themselves religious or use the title Christian but we say Christ centered so there is no doubt. We have prayer before every class. The students contribute prayer requests and bring to my attention any praise items where we can share seeing God answer prayer. We have devotions on Tue evening with one teacher at a time following through a series of lessons for continuity. We belong to and are active in Karate for Christ. We are members of Christian martial arts assoc. I try to work in lessons about how God would have us live in this world during our lessons. I use every opportunity to give praise to God for all that we have in Christ Jesus. I give free self-defense seminars in the community when it can be arranged. This fall will be the 4th semester I have taught an introduction to self-defense class at the local 4 year college.

School: Seishin-Do Karate Seishoku-Kai Website: www.msnusers.com/SeishinDoKarate
City: Norfolk, State or Province: Virginia

Description: Seishin-Do Karate Seishoku-Kai is not a commercial karate school, rather, we are an extended non-profit ministry of the church. As a ministry, we help the church provide a complete ministry to the whole individual, family, and community it serves. Thus, Seishin-Do Karate Seishoku-Kai, is a vital part of the church's function of worship, education, evangelism, and mission. Seishin-Do Karate Seishoku-Kai serves as the U.S. Operations Headquarters for Karate For Christ International. Our Mission Is To: Proclaim the Gospel of Jesus Christ. To reach the lost, mature the saints, serve our communities, and to touch the lives of "at risk youth" and families in need. To do these things throughout the world via the medium, lessons, and discipline of martial arts. To teach the best and most effective martial art we know. To serve God, minister to others, and teach the children well.

School: Aikido Chiheisen Website: www.aikidochiheisen.com

City: Rio Piedras, State or Province: Puerto Rico

Country: Puerto Rico

Description: In our school we practice Aikido, also known as the martial art of peace. This martial art consists in the application of different techniques after the attack of an opponent. We harmonize with the attack through the application of a technique to avoid confrontation and to use the force of the opponent in our benefit to finish in a state of peace and control over the attack. The Bible says in Rom 8:28 "And we know that for those who love God all things work together for good, for those who are called according to his purpose." We teach our students that thru God we can beat anything that oppose us and that every aspect of our lives even the most difficult problems have a purpose of God to teach us to be confident in Him and to trust that God we'll give peace in the conflict and also the victory. All of these teachings are fomented through the practice of Aikido.

School: Warriors of God Martial Arts

Website: www.godsmartialarts.com

City: Ottawa, State or Province: Ontario, Country: Canada

Description: About Us Warriors of God Martial arts is unique to the Ottawa region. We are the first of its kind. We have a desire to reach men and women of all ages with the message of God's unfailing love realizing that we may be the only church some will ever see. Societies growing concerns towards violence has created a need for self-defense training. Through the practice of Jiu-Jitsu along with developing a relation with God we have captured the true essence of balancing the Mind, Body and Soul. Our Mission Warriors of God Martial Arts is a group of men and women of all ages who have one common goal. To spread the Gospel of Jesus Christ through martial arts training. Our focus is not to teach people how to fight but how to discipline the Mind through the studying of scripture, the Body through the practice of martial arts and the Soul through prayer and meditation.

Description: The Christian Wushu Fellowship (CWF) is founded on the Biblical principles of God's Word, and sharing the Chinese culture through the Chinese Martial Arts. Christian Wushu Fellowship (CWF) is a non-denominational organization which is health-oriented and focuses on all the values of Christ. The goal of this fellowship is to provide a chance for Christians and/or non-Christians to get together and have a great time. We stress the fundamentals of Chinese Martial Arts and, at most times, would apply some of the theories or philosophies into our daily lives. CWF provides instruction in the Chinese Martial Arts of Wushu, Tai Chi, and Wing Chun . The teachers of the Christian Wushu Fellowship believe that through the Chinese Martial arts, students will learn the core tenets of RESPECT and DISCIPLINE. It is critical for students to learn Respect on three levels: (1) Respect for their teacher (Elders), (2) Respect for the school (Home), (3) Respect towards fellow students (family/society). As the student learns respect, they will also learn the art of Discipline, through training, students will learn Discipline in three levels: (1) Discipline of one's actions (physical), (2) Discipline of one's words and thoughts (mental), (3) Discipline of one's emotions and spirit (spirit). It is important that Respect and Discipline are trained together, not separate. If a student learns only Discipline, they learn only to follow rules without respect for the rules, but with Respect and Discipline, a student will desire to follow the rules, and will be able to apply the tenets of Respect and Discipline at school, at home and in society. The mission of CWF is to: Promote and Maintain Good Health, Preserve the Chinese Martial Arts, Encourage Humbleness, Restore Family Values and Witness the Gospel through Chinese Martial Arts. CWF is a member of the Canadian Chinese KuoShu Federation and the Canadian Taichi Federation Sifu Nelson Chan
